Liberty Flames FCA 24-Hour Track Run Donations

It is our privilege to partner with Liberty University Athletics to provide support and encouragement to coaches and athletes. FCA is primarily engaged with the ten Division 1 women's teams to engage, equip, and empower both coaches and athletes. This ministry takes on many faces, including using activity to teach principle, team retreats and team-building, small groups bible studies, individual mentoring, Lady Flames Huddles, leadership groups, pre-game chapels, and coaches' huddles.

FCA is supported *entirely* by donations from those who see the benefit of sports ministry. In an effort to financially undergird the ministry, we offer the opportunity to support a runner/walker who is willing to circle the track for up to 24 hours straight. Your donation will go directly to resourcing our coaches and athletes as well as supporting a May 2019 trip to China with the volleyball team.

Your donation is tax-deductible and can be securely made online at **https://my.fca.org/rebekahtrittipoe**. Or, if you prefer, checks can be made out to FCA. (Write "24-hr track run" in the subject line for accounting purposes.) Suggested donation: $25/hour run

Runner/walker name _____ Team, if applicable_____ I plan on running/walking _____ hours!
